BONVILLE AND COFFS JUNIOR SCHOOL

INTRODUCING FLEXISCHOOLS: ONLINE ORDERING FOR CANTEEN

The Junior School is introducing an online ordering system for canteen lunches. Our aim is to improve the ordering process for lunchtime orders and canteen operations by reducing cash handling.

- Reduces the need for families to have cash on hand for their child's lunch.
- Allows parents and students to make lunch selections together at home.
- Pre-order increases lunch selections as only limited items are available at the counter.

Note: You are still able to purchase food and drinks at the counter with cash or order lunch by using the current lunch ordering process.
